Catherine,

Can you please provide me with the names of the soldiers who attended the Redskins game on 8/21. I need to know their names and how many guests each of them brought. Because the food is ordered on my state credit card, I am required to file monthly reports and I must include a list of the attendees for each game. My report is due and this is the only information that I'm waiting for. Richard Scott in our office said he left you a message the other day. Can you get that info asap?

I would really appreciate your help!

thanks,
Pat

Sir:

My apologies for not being clearer in my email below.

There are other games for which two tickets are available. I should have mentioned that in the email below. Since you only provided the preference of attending the Cowboys game, I wanted to try to get you in that game, albeit with only one ticket.

If you would prefer to attend a different game with two tickets, please let me know. These other games are the Vikings and 49ers games.

Again, my apologies the confusion. Please let me know what your preference is.

Ben

Hey Meghan!

Hope you are having a good Friday!

(Laughing). I am new to the organizing/hosting Skins games, but essentially how it works, is that for each of games below someone from our office will need to "staff" the box. Sometimes this means when the LG is there, other times when he is not. When you Staff a game, you usually get another ticket for a guest. Pat also just informed me that if someone from our office wanted tickets, and did not want to staff, that they are able to get tickets to the game. All they need to do is ask Earl, and get the okay! Hope this helps!

I just realized my response below was really unclear and everyone probably thought I meant I could do it since it was next weekend. The conflict I have is next Sunday, the 6th. Sorry about that.

Hey, everyone—

I am scheduled to staff the Redskins game on Sunday, and I have a conflict. Is there anyone else who can do it? I would be glad to switch with someone.

Hi Pat, I sent this email twice to Richard, but haven't heard back from him. Are you able to check with him to see if there is an alternate game that Tony O'Brien can attend? He has to be in NY on 9/18. Please let me know if you are able to reach him about this. Tony looks forward to it every year.

Thanks in advance for any help you can give me.

Hi Richard. My boss wanted to know if he could change to a different date for the game with the Lt. Governor. He has to be in NY on 9/19. Please let me know if there are any other open dates for him to attend a game with the Lt. Governor. They are old friends and he would like to make one of these games with him. Thanks in advance.
